

Hello,

The simple criteria for Elkhart Co's need to be in the Central time zone is as follows;

Air and train transpotation:South Bend and Chicago.

Television: South Bend and Chicago

Entertainment again, South bend and Chicago.

Sporting Events Dito: South Bend and Chicago.

Elkhart Co. is so locked into St Joe Co./Chicago that all 3 must be on the same time.

That time is Central time!

A separation cannot happen!

Please... do the right thing keep St Joe and Elkhart together on Central time!

Thanks
